

President's Commentary

Johna Easley

Interim President & CEO

“To serve our communities’ pre-hospital needs through value-driven, compassionate, and clinically superior care.”

Additional Organizational Initiatives

- In-House EMT School #2 – 9-week program plus field training
 - Mid October release
 - OKC 17
 - Tulsa 10
- Currently working with the Office of the Medical Director on revised and condensed BLS credentialing timelines. This will allow 9-1-1 BLS capable EMTs to practice within their scope expeditiously

“To serve our communities’ pre-hospital needs through value-driven, compassionate, and clinically superior care.”

Additional Organizational Initiatives

- Working with BLS IFT contracted provider, BPM, and our Chief Medical Officer on the utilization of contracted travelling paramedics in our 9-1-1 system
 - OKC – 25
 - Tulsa – 7
- Have engaged Western Division Hospitals about collaborative efforts to reduce chronic bed delays

“To serve our communities’ pre-hospital needs through value-driven, compassionate, and clinically superior care.”
