Re: Motorola Solutions 800Mhz Radios

EMSA is seeking Board approval for the purchase of twelve (12) Motorola 800Mhz radios at a purchasing cost of \$88,341.48.

EMSA Purchasing Policy A3 Section C, requires that all purchases exceeding \$50,000 must be approved by the EMSA Board of Trustees. EMSA plans to purchase the radios as a sole source/non competitive purchase under Section 5, Part H of the purchasing policy. The radios are only available from one source and there is no commercially available substitute or alternative.
