Re: Zoll Portable Ventilator

EMSA is requesting Board approval for the purchase of four (4) Zoll ventilators for the purchase price of \$78,073. This purchase includes the portable ventilators, ventilator carrier and four-year service plan.

This equipment will be purchased under the pricing structure and terms established within an existing approved RFP. Section K of the EMSA Purchasing Policy requires that all purchases exceeding \$50,000 to be approved by the EMSA Board of Trustees.
