Revenue Cycle KPIs

March 2024

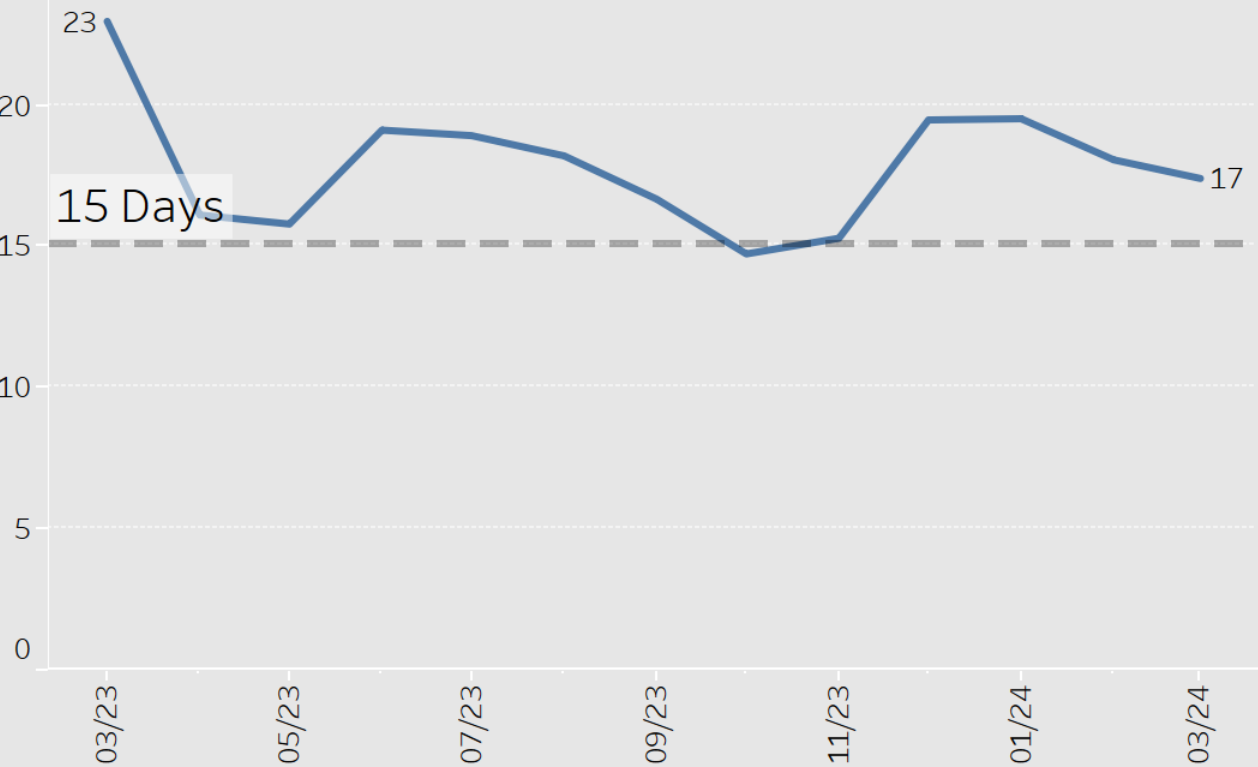

Days in AR

March 2024

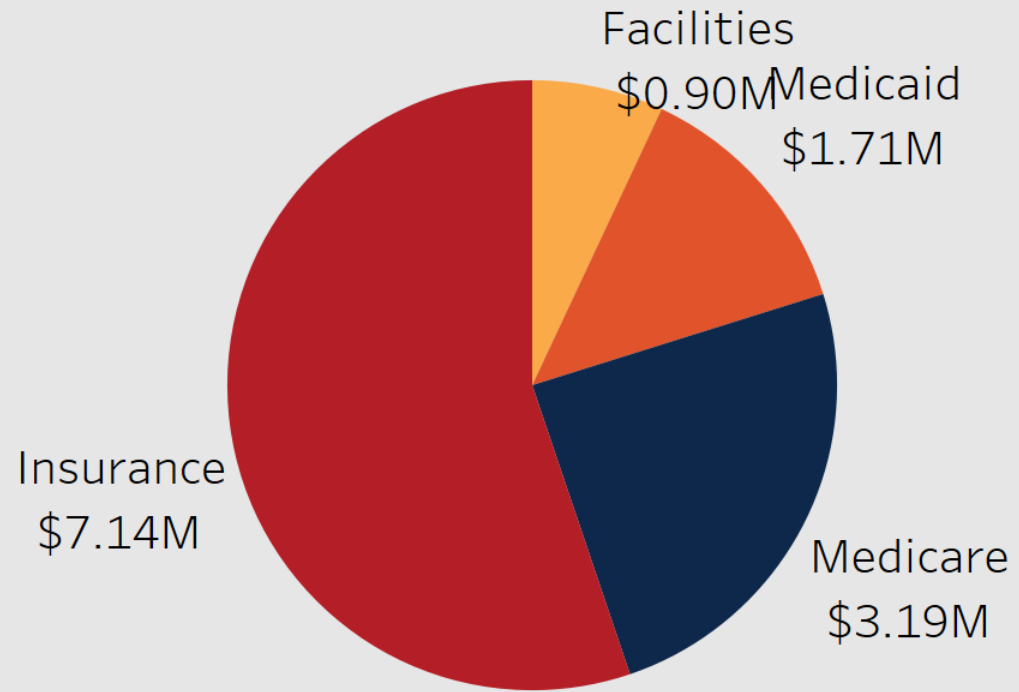

Days in AR increased slightly, impacted by increased aging in the Insurance category. Aging over 90 and 180 days declined compared to previous month.

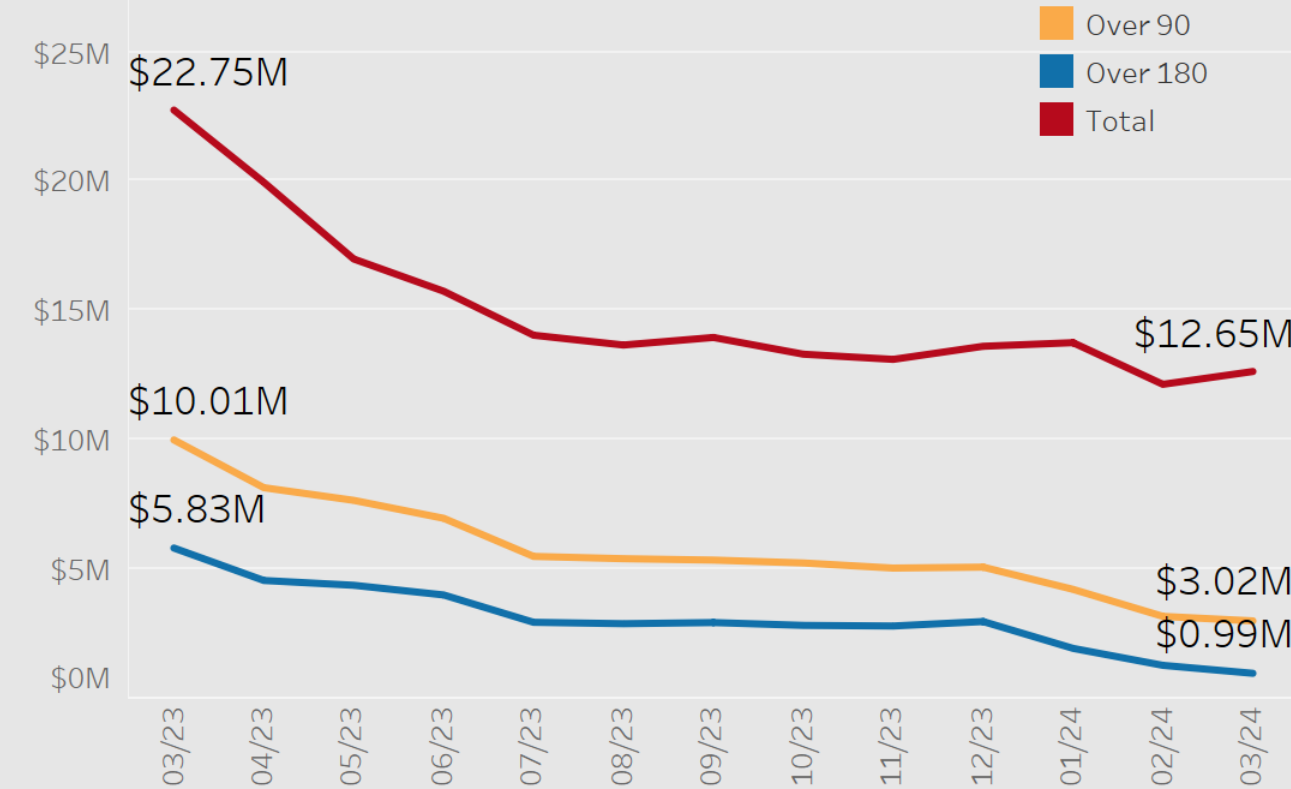

Days to Bill

Outstanding AR by Payor

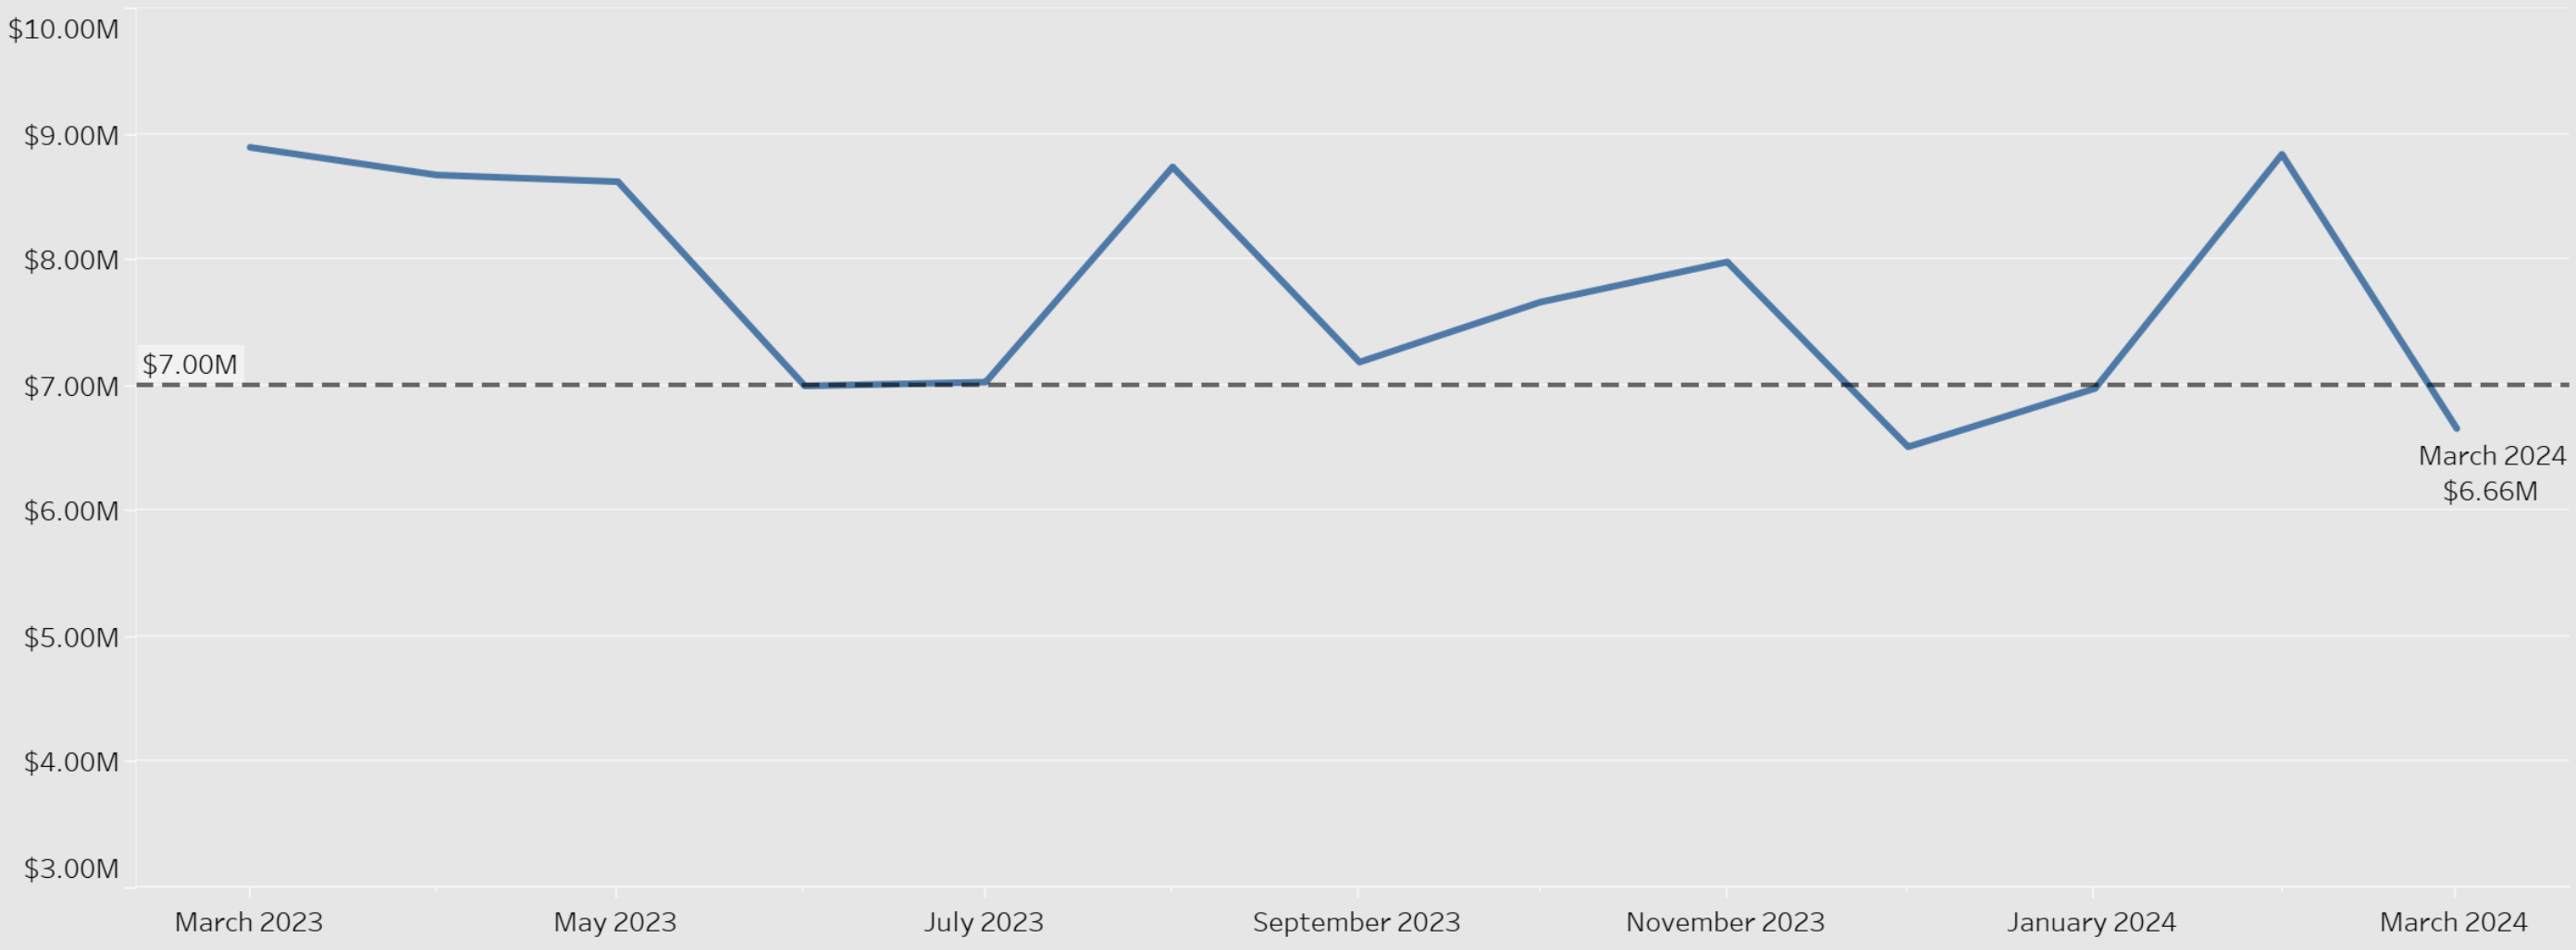

Aging All Payors less Self Pay

Cash Collections

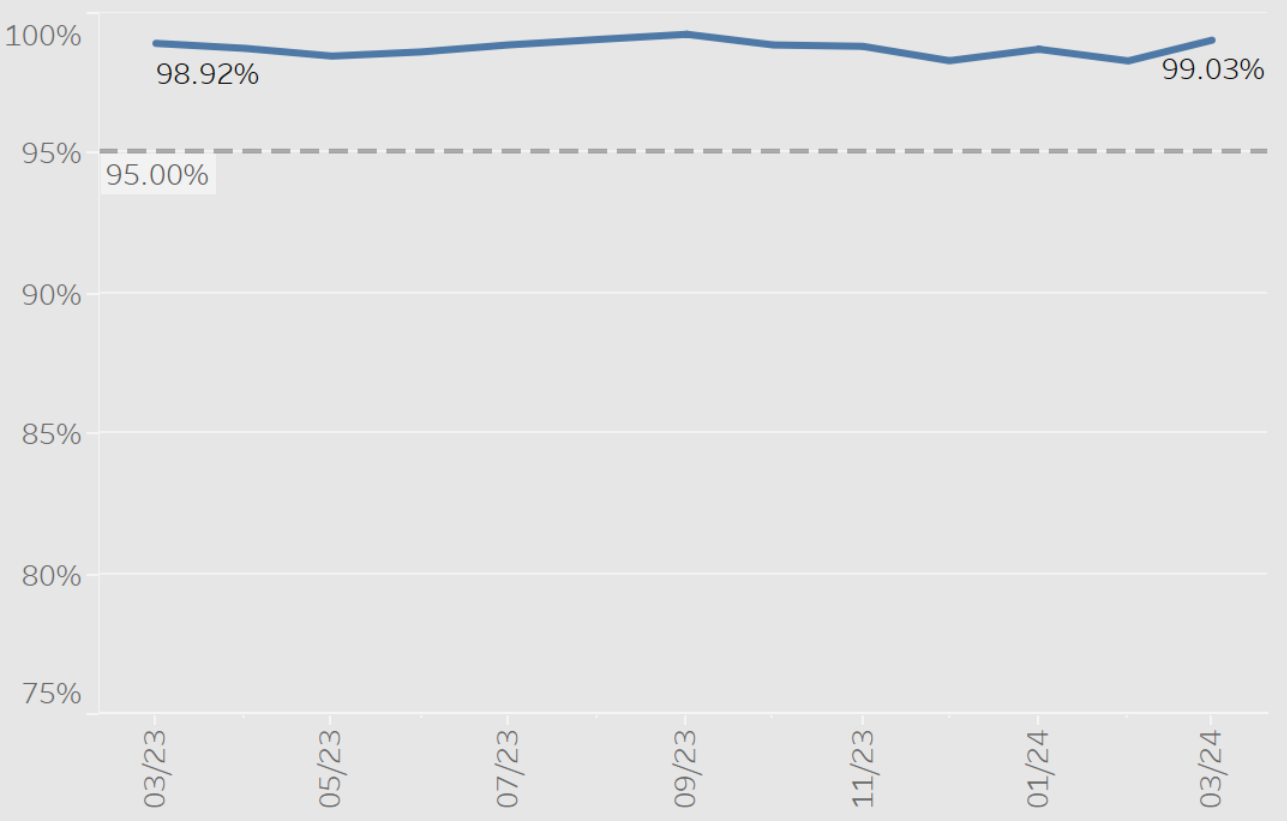

March 2024

\$6.66M

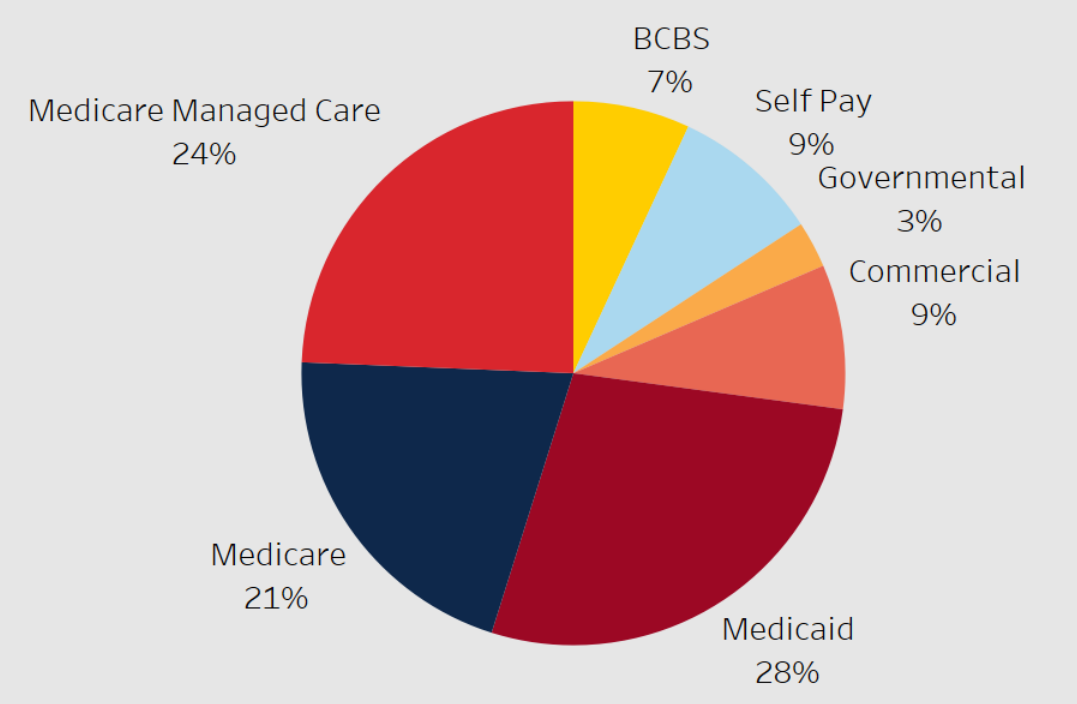

Cash Collection for March was lower than the stated goal, due to impact of the Change Healthcare incident on claims processing for specific payers.
