# **Revenue Cycle KPIs August 2024**

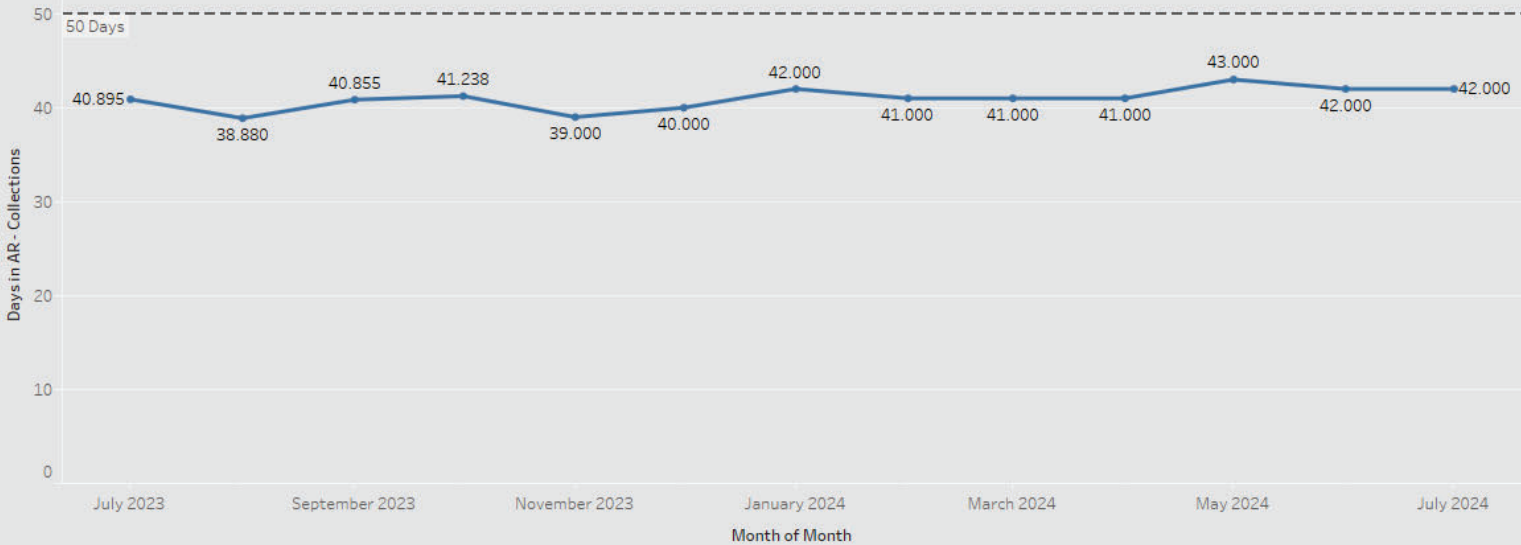

### Days in AR

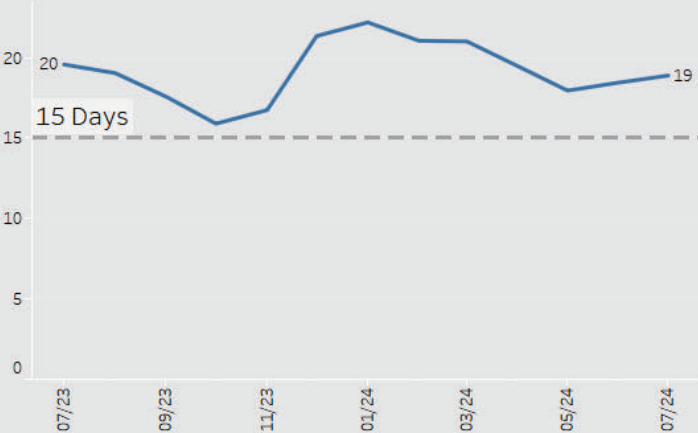

July 2024

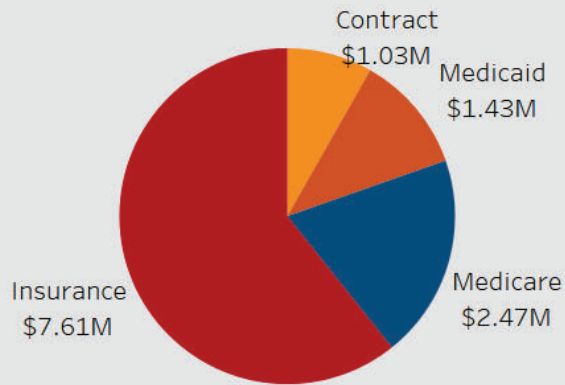

The Average Days in AR for July was 42 days. Due to staffing challenges, Days to Bill did not hit our target of 15 days. Aging over 90 days is 29%, and Aging over 180 days is 8%, showing a decrease of 1% since June for both categories.

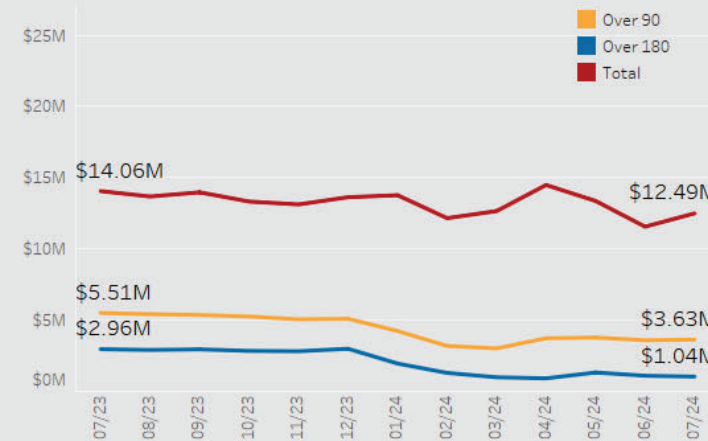

### Days to Bill

### Outstanding AR by Payor

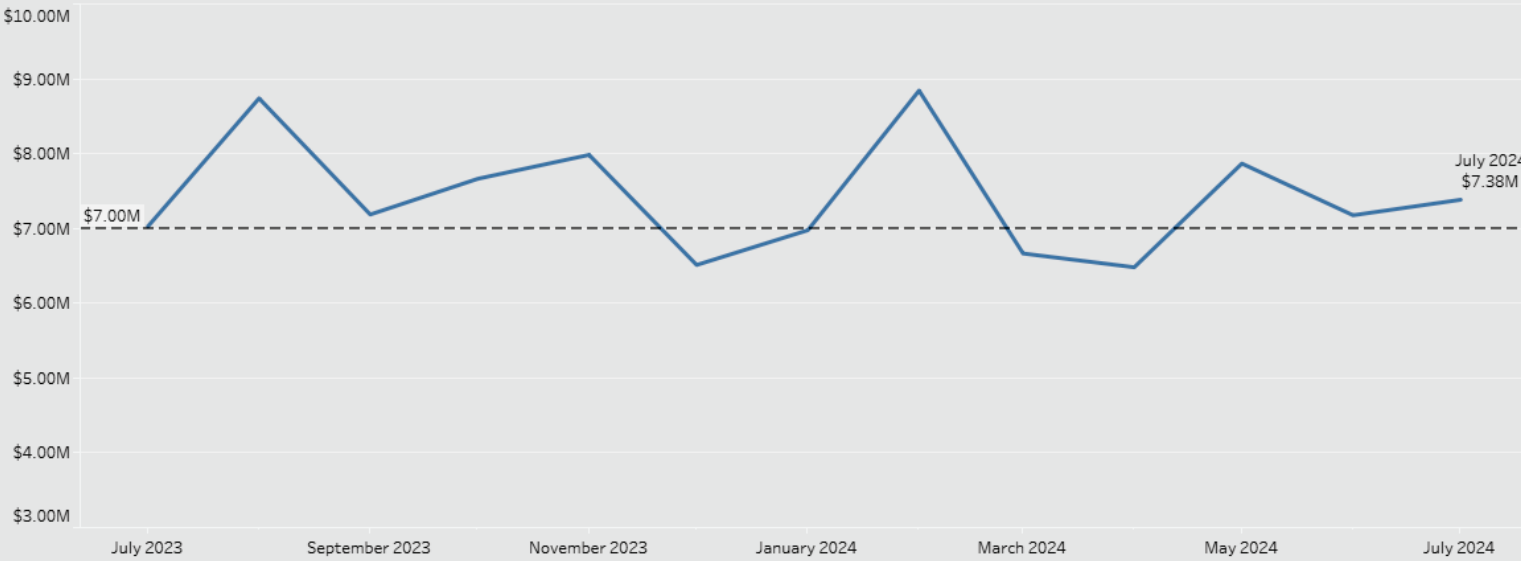

### Aging All Payors less Self Pay

## Cash Collections

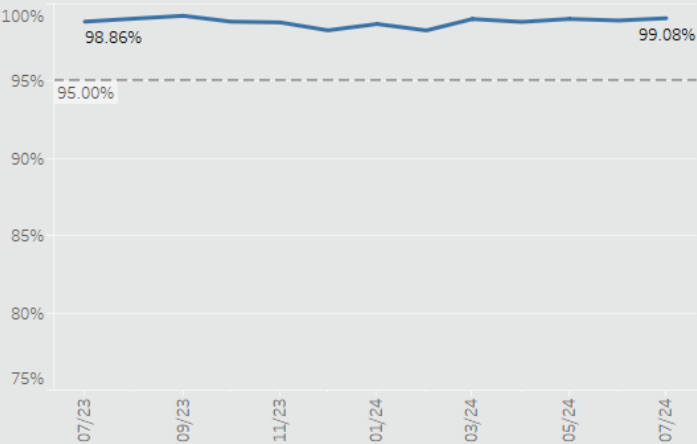

July 2024

**\$7.38M**

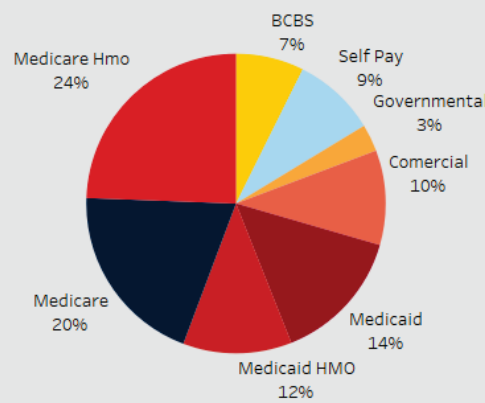

Cash Collections goal was exceeded at \$7.37M. Clean claims was 99% and the cost to collect exceeded target at 4.4%. There were no significant changes in the Payor Mix.
