

# Unit Safes for the East

- NarcBox with standard 12v Power Supply:
  - 55 at \$1,500 totaling \$82,500, plus maintenance subscription of \$4,400
  - Total purchase cost \$86,900
- Current safes are outdated and no longer able to be serviced.
- Replaces the safes for the entire Eastern Division Fleet.
- Eastern Division ambulances will now utilize the same boxes as those in the Western Division.
- Requesting sole source purchase approval for this budgeted item.

**“To serve our communities’ pre-hospital needs through value-driven, compassionate, and clinically superior care.”**
