

## Mission Statement of the AAA

Founded in 1979, the AAA's Mission is: "To promote health care policies that ensure excellence in the ambulance services industry and provide research, education and communications programs to enable its members to effectively address the needs of the communities they serve." The American Ambulance Association represents ambulance services across the United States that participate in serving more than 75% of the U.S. population with emergency and nonemergency care and medical transportation services. The AAA was formed in response to the need for improvements in medical transportation and emergency medical services. The Association services as a voice and clearinghouse for ambulance services across the nation. The Association views prehospital care not only as a public service, but also as an essential part of the total public health care system.

## AAA Foundation Mission Statement

To promote health care policies that ensure excellence in the ambulance services industry and provide research, education and communications programs to enable its members to effectively address the needs of the communities they serve." The American Ambulance Association represents ambulance services across the United States that participate in serving more than 75% of the U.S. population with emergency and nonemergency care and medical transportation services. The AAA was formed in response to the need for improvements in medical transportation and emergency medical services. The Association services as a voice and clearinghouse for ambulance services across the nation. The Association views prehospital care not only as a public service, but also as an essential part of the total public health care system.
