

To the Board of Trustees
Emergency Medical Services Authority
Tulsa, Oklahoma

In accordance with your request, we are attaching the accompanying PDF file, which contains an electronic final version of the financial statements of Emergency Medical Services Authority as of June 30, 2015. We understand that your request for the electronic copy has been made as a matter of convenience. You understand that electronic transmissions are not entirely secure and that it is possible for confidential financial information to be intercepted by others.

These financial statements and our reports on them are not to be modified in any manner. This final version supersedes all prior drafts. Any preliminary draft version of the financial statements previously provided to you in an electronic formation should be deleted from your computer, and all printed copies of any superseded preliminary draft version should likewise be destroyed.

Professional standards and our firm policies require that we perform certain additional procedures whenever our reports are included, or we are named as accountants, auditors or experts, in a document used in a public or private offering of equity or debt securities. Accordingly, as provided for and agreed to in the terms of our arrangement letter, the Company will not include our reports, or otherwise make reference to us, in any public or private securities offering without first obtaining our consent. Any request to consent is also a matter for which separate arrangements will be necessary. After obtaining our consent, the Company also agrees to provide us with printer's proofs or masters of such offering documents for our review and approval before printing, and with a copy of the final reproduced material for our approval before it is distributed. In the event our auditor/client relationship has been terminated when the Company seeks such consent, we will be under no obligation to grant such consent or approval.

Thank you for the opportunity to serve Emergency Medical Services Authority.
