

**Professional Services Agreement between Oklahoma City and The Emergency Medical Services Authority (EMSA)**

This document details the responsibilities of Oklahoma City as it relates to their collecting and administration of certain utility monies referred to generally as a rate stabilization fund and the obligations of EMSA in return for the receipt of these monies for providing EMS services to Oklahoma City.

This document is the same as the previous year document except for certain dates and dollar amounts reflective of a new fiscal year.

**Exhibit I Lease Agreement**

This document referred to on page 3 of the above document describes the leasing arrangement between Oklahoma City and EMSA for the assets purchased and owned by Oklahoma City and used by EMSA in providing EMS services to Oklahoma City.

This document is the same as the previous year document except for certain dates reflective of a new fiscal year.
